Where Talents Soar : Accomplished – Honourable – Servant Leaders

*"To nurture creative thinkers, lifelong learners and compassionate leaders
who uphold tradition and aspire towards holiness and righteousness"*

17 June 2009

Dear Parent/Guardian,

In view of the dynamic H1N1 flu situation in the world and as a precautionary measure, we have decided to cancel the Advanced Learning Programme (ALP) for all Secondary Two to Four students from 22 June to 26 June 2009. Instead, we shall conduct Home-Based Learning (HBL) where students do e-learning at home during this period.

Please advise your child to go to the school website (www.anglicanhigh.moe.edu.sg) for details of the HBL and programme outline.

Pupils with no computer or internet access at home are allowed to come to school to register and use the computers in the computer laboratory to do their e-learning. The computer laboratory will be open from 9.00 a.m. to 4.30 p.m. These pupils are required to bring along their oral digital thermometer for temperature measurement as part of the precautionary measures. If they are unwell and cannot come to school, the learning materials will be delivered to them by post.

If you need any clarifications, please contact Mdm Tan Sok Ngin, HOD/ICT at telephone number: 62431972 or email to our helpdesk at anglicanhighschool@gmail.com

Thank you.

Your Partner-in-Education,

Dr Zoe Boon
Principal
